

Unique Management Opportunities for Skilled Interpreters...Immediate Hire for Two Positions

Join the largest group of its kind in the world, a staff of more than 125 professional interpreters at Rochester Institute of Technology's National Technical Institute for the Deaf (RIT/NTID).

These management positions offer permanent, full-time, 12-month salaried opportunities. RIT/NTID offers great benefits, including tuition waivers for family members and a generous retirement plan.

The Department of Access Services at RIT/NTID houses four teams of interpreters associated with specific RIT colleges and fields of study. Each manager leads a team of 30 interpreters and two coordinators, hiring, appraising, and administering all human resource activities.

Managers oversee services in their respective colleges as well as specified non-academic areas. RIT/NTID's commitment to maintain outstanding access services includes a four-level career ladder, producing extraordinary experience levels. For the current staff, average years interpreting at RIT is more than 12; 25 individuals have more than 20 years interpreting experience.

Together with a team of over 50 C-Print captionists, and student notetaking services, the Department of Access Services provides 200,000 hours of service each year, primarily to 650 NTID-supported students taking classes in other colleges of RIT, but with about 15% of services going to out-of-class activities.

RIT/NTID is truly a unique environment and career opportunity for skilled interpreters. Learn more or apply at www.rit.edu/careerzone Use references:
